

M A T R A C

MOUNTAIN AREA TRAUMA REGIONAL ADVISORY COMMITTEE

Membership Levels and Requirements

Deployable Responder: Available to and interested in deploying outside of the local area for 24-72 hours, and up to 14 days in extreme situations. To qualify for this level:

- Commitment to:
 - Maintain an up-to-date ServNC profile
 - Provide 20 hours of participation per year
 - Meetings, training, work sessions, events, deployments, etc
 - Complete the SMAT Initial Training Program*
 - Required for being considered deployable for a mission
 - Complete IS 101.C: Preparing for Federal Disaster Operations
 - Complete ICS 100, 200, 700, 800 and provide copies of certificate
 - N-95 Fit testing (provide documentation)
 - **Actively respond to ServNC messages, even if unavailable**

Local Responder: Not available or interested in deploying outside the local area, but interested in being a part of the “Home Team” for mission support, local events, warehouse/admin support, etc. To qualify for this level:

- Commitment to:
 - Maintain an up-to-date ServNC profile
 - Provide 12 hours of participation per year
 - Meetings, training, work sessions, events, etc
 - Complete ICS 100, 200, 700, 800 and provide copies of certificate
 - N-95 Fit testing (provide documentation)
 - **Actively respond to ServNC messages, even if unavailable**
- Completion of the SMAT Initial Training Program* is encouraged, but not required if not planning to deploy with the team.

Provider: Current Physician, Nurse Practitioner, Physicians Assistant, or Pharmacist who is interested in deploying on case-by-case basis locally or across the state.

- Commitment to:
 - Maintain an up-to-date ServNC profile
 - Attend a 2 Hour Provider Training Session
 - Provide 2 Hours of other participation per year
 - Meetings, training, work sessions, events, etc
 - Complete ICS 100, 200, 700, 800 and provide copies of certificate
 - N-95 Fit testing (provide documentation)
 - **Actively respond to ServNC messages, even if unavailable**
- Completion of the SMAT Initial Training Program* is encouraged, but not required.

** The SMAT Initial Training Program is a two day hands-on course developed to provide an awareness level of information to potential team members. The course is free to team members (or potential team members), and is offered multiple times each year.*
